

How agile applies to non-software projects a presentation by and discussion with **NATHAN MELLIN**

He will share his thoughts and experience of **Being Engaged in the Agile Zone**. Using different methodologies in today's Agile workspace, this creates value in the eye of the customer, and empowers the people in the company. (Language of the presentation is English.)
After the interactive presentation you will have the opportunity to have short open discussion with Nathan.

Nathan Mellin

MBA, PMP, DTM, CSM, CSP, VFR
Project and Vendor Manager@Wells Fargo
Bank, Board President at PMI – San Francisco
Bay Area Chapter

Nathan is currently a project & vendor manager at Wells Fargo Bank, the world's second-largest bank by market capitalization. He has been working as a project manager supporting Financial Institutions and their vendors for nearly 2 decades. Currently he manages the customer facing vendors for Community Banking at Wells Fargo for all their branches and ATMs. Nathan has been supporting non-profits in his local community for causes that he feels strongly about and that support his children as well as personal growth. He has been the CEO of PMI San Francisco Bay Area Chapter for three consecutive years and now he has taken on the role of board president, where he has been able to implement change by streamlining technologies and by updating the chapters user experience for their members with a mobile seamless platform.

For more information, see his current [LinkedIn](#) profile or the homepage of [PMI San Francisco Bay Area Chapter](#)

We have the privilege to welcome Nathan to
**Bosch Engineering Center Budapest on
25th July, 2018 at 17:30.**

Bosch Engineering Center Budapest welcomes all enthusiastic project managers and anyone who is interested in this special occasion.

DATA PROTECTION NOTICE

about the camera system and guest registration operated by Robert Bosch kft.

Controller

Robert Bosch Kft. (hereinafter: Bosch) is the controller responsible for the processing of your data.

Our contact details are as follows:
Robert Bosch Kft. – Security Service
1103 Budapest, Gyömrői utca 104
e-mail: RBHU.WSD.Employees@Bosch.com
phone: +36 70 339 9748

Collection, processing and usage of personal data Processed categories of data

The following categories of data are processed:

- ▶ personal identification data (e. g. name, ID-card number)
- ▶ Communication data (telephone)
- ▶ Video and voice recordings made from the data subject during the operation of the on-site camera system
- ▶ if applicable, license number of the vehicle used by the visitor
- ▶ if a visitors card with picture is made, photo of the visitor
- ▶ movement data inside the premises

Processing purposes and legal bases

We, as well as the service providers (data processors) commissioned by us; process your personal data for the following processing purposes:

- Registration and register of visitors entering the site (Legal basis: legitimate interest in protection of welfare and property).
- Taking pictures and voice recordings, registering internal movement in order to safeguard the safety of the site and the protection of safety and welfare. (Legal bases: legitimate interest in protection of welfare and property).
- Safeguarding and defending our rights. (Legal basis: Justified interest on our part for safeguarding and defending our rights).

Data transfer

Data transfer to other controllers

Principally, your personal data is forwarded to other controllers only if required for the fulfillment of a contractual obligation, or if we ourselves, or a third party, have a legitimate interest in the data transfer, or if you have given your consent.

Third parties may also be other companies of the Bosch group. Additionally, data may be transferred to other controllers when we are obliged to do so due to statutory regulations or enforceable administrative or judicial orders.

Service providers

Protection of the site is principally provided by P. Dussmann Kft. (1134 Budapest, Váci út. 35.)

We involve external service providers with tasks such as guest registration, data hosting and hotline services. We have chosen those service providers carefully and monitor them on a regular basis, especially regarding their diligent handling of and protection of the data that they store. All service providers are obliged to maintain confidentiality and to comply to the statutory provisions. Service providers may also be other Bosch group companies.

Transfer to recipients outside the EEA

We might transfer personal data to recipients located outside the EEA into so-called third countries.

In such cases, prior to the transfer we ensure that either the data recipient provides an appropriate level of data protection (e. g. due to a decision of adequacy by the European Commission for the respective country or due to the agreement based on so-called EU model clauses with the recipient) or that you have consented to the transfer. You are entitled to receive an overview of third country recipients and a copy of the specifically agreed-to provisions securing an appropriate level of data protection. For this purpose, please use the statements made in the Contact section.

Duration of storage; retention periods

Principally, we store your data for as long as it is necessary to achieve the purpose of the data processing or for as long as we have a justified interest in storing the data (e.g. we might still have a justified interest in postal mail marketing after fulfillment of our contractual obligations).

In all other cases we delete your personal data with the exception of data we are obliged to store for the fulfillment of legal obligations (e. g. due to retention periods under the tax and commercial codes we are obliged to have documents such as contracts and invoices available for a certain period of time).

We store the personal data provided by you until the following time:

- data in the declaration of secrecy: 6 months after signing the document
- camera recordings: 72 hours after making the recording
- movement data: 6 months for the date on which the data has been created, in case of an occasional entry, 24 hours after leaving the site
- visitors card with photo: until the termination of your access right.

The sound and/or video recordings, if unused, is abolished or deleted by the Security Service after the expiry of the period above. Use of sound and/or video recordings shall mean particularly when the sound and/or video recordings or other personal data is submitted as evidence in a court proceeding or some other official proceedings.

User rights

To enforce your rights, please use the details provided in the Contact section. In doing so, please ensure that an unambiguous identification of your person is possible.

Complaints lodged against the actions of the security guards are examined every time by the management of the Security Service, the outcome of the examination is provided to the data subject in writing.

Right to information and access:

You have the right to obtain confirmation from us about whether or not your personal data is being processed, and, if this is the case, access to your personal data.

Any person whose right or lawful interests is prejudiced by any sound and/or video recording, or by the recording of any of his personal data may request within the deadline above, respectively, following the date when the sound and/or video recording or the recording of any of his personal data was made, by providing proof of the said right or lawful interests, the processor of such data not to abolish or delete the data. At the request of the court or another authority the sound and/or video recording or the recording of personal data in question shall be sent to the court or authority without undue delay. If the request is not submitted within thirty days from the day when the request for refraining from the abolishing procedure was made, the sound and/or video recording or the recording of personal data shall be abolished or deleted, except if the deadline above has not yet expired.

Right to correction and deletion

You have the right to obtain the rectification of inaccurate personal data concerning yourself without undue delay from us. Taking into account the purposes of the processing, you have the right to have incomplete personal data completed, including by means of providing a supplementary statement. This does not apply to data which is necessary for billing or accounting purposes or which is subject to a statutory retention period. If access to such data is not required, however, its processing is restricted (see the following).

Restriction of processing:

You have the right to demand for – as far as statutory requirements are fulfilled – restriction of the processing of your data.

Objection to data processing:

You have the right to object to data processing by us at any time. We will no longer process the personal data unless we demonstrate compliance with legal requirements to provide provable reasons for the further processing which are beyond your interests, rights and freedoms or for the establishment, exercise or defense of legal claims.

Objection to data processing based on the legal basis of “justified interest”

In addition, you have the right to object to the processing of your personal data at any time, insofar as this is based on a justified interest. We will then terminate the processing of your data, unless we demonstrate compelling legitimate grounds according to legal requirements which override your rights.

Data portability

If the data processing is based on your Consent or the performance of a contract, you are entitled to receive data that you have provided to us in a structured, commonly used and machine-readable format or – if technically feasible – to demand that we transfer those data to a third party.

Right of complaint with supervisory authority

You have the right to lodge a complaint with a supervisory authority. You can appeal to the supervisory authority which is responsible for your place of residence or your state of residency or to the supervisory authority responsible for us. This is:

National Authority for Data Protection and Freedom of Information

H-1125 Budapest
Szilágyi Erzsébet fasor 22/C.
Hungary
